Wondering if this location was addressed. Looks like it was only sent to Art. If not, can we address ASAP?

Thanks!

Hi Sgt. Siguenas,

I wanted to forward this request to you and see if we can have the HOPE team out there first thing tomorrow morning. We just received the attached photo and Councilmember O'Farrell would like for this to be the first priority serviced tomorrow. Please let us know if the team can go out.

Thanks in advance!

Best,

Matt can you help to clear Vendome under the 101 freeway? This is very important to the councilmember. He promised the neighborhood that he would not let Vendome build up again. Vic has always worked with our office to keep it clear but apparently there is one person determined to make it their own and is filling it with items. See attached photo and email.
